

# ATLAS

## Premium Level

Designed for the customer seeking a significantly higher level of security than the minimum legal UK specification, the Atlas Gunsafe is the newest addition to the Brattonsound family and is our flagship model. The Atlas Gunsafe far exceeds the requirements of BS7558 and is a secure, stylish & impressive complement to any treasured gun collection.

- Double skinned vault type door
- High security 3 way, multi point locking mechanism (side, top and bottom)
- High security 8 lever double bitted safe deadlock
- High quality solid steel chrome plated 'D' handle and backplate
- Radial tumbler lock on internal compartment

For remainder of specification please refer to back page.

## SHOTGUN/RIFLE SAFES

(Not suitable for rifles with scopes)

Ref	Model	H x W x D mm	Wt. kg
AS14	Up to 14 shotguns with 203mm internal locking top	1520 x 550 x 395	90
AS28	Up to 28 shotguns with 2 x 203mm internal locking top	1520 x 1100 x 395	180

## EXTRA DEEP RIFLE SAFES

(For scoped rifles and shotguns)

Ref	Model	H x W x D mm	Wt. kg
AR10	Up to 10 scoped rifles with 203mm internal locking top	1520 x 550 x 395	90
AR20	Up to 20 scoped rifles with 2 x 203mm internal locking top	1520 x 1100 x 395	180

The AS28 and AR20 models are two cabinets which are pre-drilled for bolting together during installation. Both doors are hinged on the right hand side.

As standard all Atlas models come with internal locking top compartments. These can, at the point of ordering, be left out to accommodate longer guns, or can be substituted for a shelf.

As standard the Atlas Gunsafe is locked with a double bitted key. As an option it can be fitted with a digital keypad.

The high quality workmanship on the Atlas can be complemented with optional blue baize lining
