

Archive Cabinet is designed to protect your important contracts, documents and files in the event of a fire.

Archive Cabinet

FIRE-RESISTANT DOCUMENT PROTECTION

Key Features

- Archive Cabinet has a steel, double-wall construction insulated with special fire-resistant barrier material.
- Available in four sizes with a generous storage capacity ranging from 325–880 litres.
- Secured by three-way boltwork, locking at the top, bottom and side of the door.
- Class A (EN 1300) key lock fitted as standard.
- A wide range of flexible fittings available to suit all types of storage requirements, including removable shelves, extendable file frames for A4 or Folio files and a lockable compartment.
- Anchor points in the base allow the cabinet to be fixed to the floor.
- All cabinets have a light-grey, powder-coated finish, suitable for any office space.
