

STEEL STOR (£3,000 cash rating)*

The Steel Stor range is extremely well suited to the secure storage of controlled drugs, cigarettes, bags of change examination papers and other bulky valuable items. Subjected to a severe burglary and attack test, these cabinets are used in many Hospitals, Government Departments, Schools and Retail premises.

- Subjected to a severe Norwegian burglary test.
- 4mm steel body with 3-way locking bolts and a VdS class 1 approved safe lock.
- Fitted with a continuous dog bar over the hinged side of the door and hardened plates to protect against attack.
- Cabinet is supplied with prepared base fixing points, shelves and door boxes.
- Dual locking facility available on all models, (except SC060).
- Additional fittings available - Shelves, Rotary Drum Deposit (SC060 & SC100 only).
- **Used extensively by Government offices, when fitted with the appropriate approved lock.**
